

English 9 Novel Play Clay Day

Novel:

Objectives:

Artistic Portion:

1. With a partner you must recreate a key scene in your novel using playdough
2. OR to create in important element of setting in the novel.

3. To have each member of the group be able to:
 - a) Explain what is going on in the frozen scene the group is recreating
 - b) Explain why the setting is important
 - c) Each group member must choose one character in the scene and be able to give details about that character (personality, motives, background etc.)

Written Portion:

1. List what details are taken directly from the book, and why you added the details that aren't directly in the book

2. Quote two sentences-directly from the book that capture the scene or describe the setting. Provide the page number as well.

3. Explain what details you have added and why.

Setting:

1. Give 2 quotes that describe the setting and explain why that place is important to the character.

2. Write two sentences that describe the scene and explain why that scene is important to the novel.

3. Explain why you chose to add the extra details that were NOT mentioned in the book.

4. Which part of this project did you like the most? Which part are you the most proud of?
